Headteacher Mr. Paul Gamble

27th June 2011

Dear Parent / Carers

June 2011 Ofsted Inspection

The school has received the Ofsted Inspection team report and I am delighted to tell you that Ofsted judge our school as "Good". They highlight "The good teaching and outstanding care, guidance and support" and "The excellent relationships between staff and students". The Ofsted Inspection team have written to your son/daughter and thanked them for welcoming them so warmly and for telling them that "they feel very safe in school".

I would like to take this opportunity of also thanking you, as parents said "their children make enough progress, that they are informed about it and that the school is well led and managed".

As a school we are proud of our students and the Ofsted Inspection team state "students are very proud of the school and make excellent contributions to it and the local community". We will continue to work hard to ensure our excellent curriculum meets the needs of your children. Again Ofsted said "the school is highly committed to working in partnership to improve the life chances of all students"

Of course, like any good report, the Ofsted Inspection team have given the school some targets which are shown in their letter to our learners. These points have our full attention. We are a good school with many excellent features and we continue to serve our students well.

The full report is available on the website for you to read. Please do not hesitate to contact the school if you have difficulty in accessing the information.

Finally, the staff would like to thank all our young people for the very many positive comments made to the Inspection Team

Best wishes

Yours sincerely

P Gamble
Headteacher
